CUSTOM CHRISTMAS NAME ORNAMENT · 3D PRINT FILES

Thank you! Your files are coming

We make your ornament with your name(s) and send the files to you

What happens next

1. We read the **design** and **name(s)** from your order. Didn't add a name? **Message us on Etsy** with it.
2. Within **24 hours** we send your files in an **Etsy message** (Etsy also emails you).
3. Download, open in your slicer, print!

You'll receive, per name

Colour-ready 3MF for Bambu Studio and OrcaSlicer (each colour its own part, ready for an AMS), and a one-colour **STL** for any printer.

Suggested print settings

Flat as it opens, **no supports**, 0.20 mm layers, PLA, 15 % infill. Colours change only in the top layers.

Digital file

Nothing is shipped. For personal use and gifts; please don't share or resell the files.

Questions? Message us on Etsy. Design rights remain with Valencia Holdings Inc.
